PREPARATION OF MATERIALS

No need to sort or separate these items. Simply place all of the above items into the new specially designed single sort recycling boxes located at 14 drop-off sites throughout the two-counties.

Newspaper- Glossy inserts delivered with newspaper are acceptable. Keep newsprint dry. Do not tie with twine, string or other materials.

Glass- Rinse ALL containers clean. Remove ALL caps. Need not remove labels. *Unacceptable - Ceramics, clay pots, drinking glasses or dishes, light bulbs, mirror or window glass, ovenware or crystal.*

Aluminum/Tin- Labels need not be taken off of tin cans. Rinse cans clean. No scrap metal in bins.

Paper Products-Magazines, brown paper bags, glossy-advertising brochures, glossy inserts and catalogs, all types of clean office and school paper, post-it notes, junk mail, and phone books. Staples and envelopes with windows are acceptable, no paper clips, metal or plastic bindings. Please note that tissue papers, food-contaminated paper, paper plates etc. are not acceptable under any category.

Plastics- Check containers closely to determine recyclability. Only #1 & #2's accepted. Absolutely NO plastic bags, plastics other than #1 or #2, or automotive product bottles regardless of number. Rinse bottles clean. Remove all caps and place in trash. No need to remove labels.

Cardboard- Clean boxboard (cereal type box) accepted in bins. Corrugated cardboard accepted at some sites, check inside guide for locations. Please break down ALL boxes to help conserve space.

DO NOT LEAVE ANYTHING OUTSIDE OF GATES AT RECYCLING CENTERS WHEN THEY ARE CLOSED OR YOU MAY BE FINED.

Residents and businesses with curbside garbage collection - Area waste haulers are required to provide you with recycling collection should you desire it. Please call your hauler for specific program details. RCC grant funding does not allow monies to be spent on disposing of business generated materials. That is the cost and responsibility of the business.
